Hogan Lovells Engage: FIS

Pioneering LawTech solutions for Financial Institutions and FinTechs.

Hogan Lovells Engage is a bespoke digital service that gives you better information, better analysis, and helps you make better decisions.

By registering – for free – on the site you can tailor your experience and sign up for bespoke alerts, so you only ever see what you need.

Our cutting-edge interactive tools guide you through complex legislation and keep you up-to-date with latest developments:

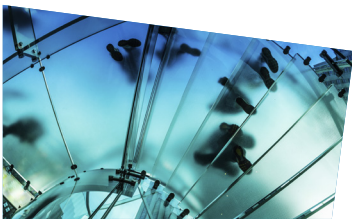

- quickly focus on key topics or search by business area, jurisdiction, or legal provision
- look in-depth at every part of the legislation, including its development and history, from both a European and Domestic perspective

- create reading lists of key materials
- write notes and share information with colleagues
- create tailor-made reports for your internal use
- benefit from high-quality Hogan Lovells insight

So whether you want quick updates, in-depth analysis, or the latest interactive LawTech, register at Hogan Lovells Engage and start exploring today.

“It’s a great site – very clear and easy to navigate.”

Engage user at a global banking group

MiFID II Toolkit

Our interactive MiFID II tool will help you navigate all European and domestic legal provisions relating to MiFID II and MiFIR, identifying what matters to you. Quickly and easily find what you need, while benefitting from the latest news and insight from the Hogan Lovells team.

For more information contact:

Michael Thomas
Financial Services Partner, London
T +44 20 7296 5081
michael.thomas@hoganlovells.com

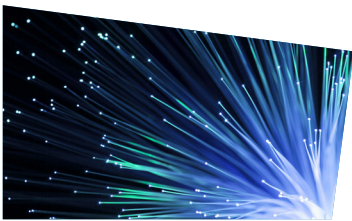

PSD2 Toolkit

Our PSD2 tool provides a comprehensive, interactive platform through which you can identify your PSD2 obligations. It offers easy access to all the key documents which need to be looked at to ensure compliance, together with latest news and insight from the Hogan Lovells team.
