Stories of pride

From our colleagues across the globe

Pride month is a vivid reminder that we come out many times in life, and don't stop being who we are when June is over. Our call to action is a bit louder in June since we have the stage. It is empowering.

Washington, D.C.

Pride celebrates the universal values of love, acceptance, and diversity.
As lawyers, Pride also reminds us of the progress we have made for equal rights, while still acknowledging the work that lies ahead as well.

Stefaan Meuwissen

*Knowledge Lawyer
Beijing*

Developing my understanding of intersectionality has been key to me feeling empowered to bring my authentic self to the workplace. I can't overstate the importance of supportive allies for individuals with multiple intersecting identities.

Jacqui Rhule-Dagher

Pride means being inspired by the past of the community, recognizing the present, advances and setbacks; and dreaming for a better future for the community.

Andrés Peña Loyo

*Associate
Mexico City*

Pride is seeing and respecting difference naturally, rather than treating it as an elephant in the room. We speak out and get involved to make everyone feel safe to be their authentic selves in the workplace.
