

New COVID-19 UK Government guidance for construction contracts and PFI/PF2 specific guidance

08 April 2020

The following UK Government guidance is intended to sit alongside and expand on previous guidance issued by the Government on how contracting authorities are to support Government suppliers through the COVID-19 outbreak, including in particular the guidance set out in PPN 02/20: Supplier relief due to COVID-19 (our summary of which can be found [here](#)).
