

Hector Mercado González

Associate
Mexico City

Biography

A constantly changing environment demands practical and innovative solutions. Hector Mercado González focuses on areas of regulatory practice with regards to sanitary control, pharmaceuticals, medical devices, narcotics, psychotropic drugs, and consumer protection.

Hector's interest in public law and its impact on the private sector, coupled with solid knowledge of the processes and organization of Mexico and its institutions, allows him to provide comprehensive advice that places emphasis on solutions that provide stability to his clients.

Consequently, Hector has the necessary experience for the design, planning, development, and implementation of laws, regulations, and official Mexican standards.

Representative experience

Served as a consultant in the areas of health, food, and beverages at a major public affairs firm.

Served as a legislative advisor at Legislatura de la Ciudad de Mexico.
