

Christina Jeong

Senior Associate

Tokyo

Biography

Christina Jeong is a senior associate in the Hogan Lovells Infrastructure, Energy, Resources and Projects team based in Tokyo.

She has experience in the area of international project finance transactions advising lenders (including development finance institutions, export credit agencies and commercial banks), sponsors and governments with a particular focus on power, petrochemical and renewable energy projects in the Middle East, Central Asia and Africa. Prior to joining Hogan Lovells, Christina practiced law in London and Tokyo for a global law firm in their banking and corporate departments.

As of 1 April 2019, Christina is seconded to Nippon Export and Investment Insurance where she will advise on various aspects of the business with a primary focus on power project financing.

Christina is fully bilingual in English and Korean and she is fluent in Japanese.
