

Fabrizio Lolliri

Global Head of Transfer Pricing
London

Biography

Fabrizio is a scientist and engineer by background. He likes to find solutions and ways of making things work better. He does this with transfer pricing and supply chain restructuring.

He leads Hogan Lovells' transfer pricing practice, having previously worked for the Big 4, a restructuring and consulting firm and in-house at France Telecom-Orange where he became Group Head of Transfer Pricing.

Fabrizio has hands-on experience of dealing with TP and tax matters in all major jurisdictions and across a broad range of industries. His particular sectors of expertise include life sciences, mobile telecommunications and luxury branded goods. His current work covers IP valuation and restructuring, supply chain re-structuring and finance-related projects.

He is a Fellow of the Chartered Institute of Taxation and published author of Tolley's Transfer Pricing Books for 2013. UIn 2011-12, he was nominated by the Tax Journal for inclusion in its Top 40 under 40.

Fabrizio's clients include Fortune 1000 and FTSE 100 multinationals.
