

Karla Rabasa Armengol

Senior Associate

Mexico City

Biography

Karla Rabasa focuses on corporate law, particularly mergers and acquisitions. A senior associate in our Mexico City office, she has been a member of Hogan Lovells BSTL since 2014.

Karla has actively participated in acquisition deals advising sellers and buyers as well as in relevant joint venture transactions, including performance of due diligence and preparation of transaction documents. She has also assisted in the formation of transnational companies operating in Mexico and is involved in day-to-day corporate work with clients. Karla also assists clients in preparing and negotiating all kinds of contracts as part of the company's day-to-day business.

Karla has participated in relevant M&A transactions, being part of the team that assisted Owens Illinois, the world's largest glass container manufacturer, in the US\$2.15 billion acquisition of the food and beverage containers division of Vitro (Mexico's largest glass producer) and has participated in other complex corporate reorganizations and joint venture deals.

Karla is an enthusiastic lawyer who enjoys working with colleagues in other areas of the firm, especially in the due diligence process related to acquisitions deals. She has great experience in leading and coordinating due diligence processes for clients.
