

## Yoshimi Ando

Senior Associate

Tokyo

### Biography

A member of the trademark team, Yoshimi Ando focuses her practice on trademark enforcement and brand portfolio management. Her experience in trademark ranges from assisting clients on trademark clearance searches, obtaining national, regional, and international registrations covering over 50 countries.

Yoshimi's experience in intellectual property includes working as a patent administrator at a major Japanese electronics company in Oxford, South East England, and as a paralegal at a well-known IP boutique firm in London.

Yoshimi studied law in Japan, as well as in London. While studying in London she worked at a well-known IP boutique firm in London.

Yoshimi is fluent in Japanese and English.
