

## Securities, Shareholder, and M&A Litigation

Our global group has extensive experience in all kinds of corporate and shareholder litigation.

Our [European](#) and U.S. practices are trusted advisors in their markets.

In particular because of the global nature of our group, we are able to offer seamless advice, worldwide and across all industries. As an increasing amount of our clients' corporate litigation needs are cross-border, multijurisdictional cases are part of our daily business, while our reach and experience enable us to handle those issues efficiently.

With more than 50 offices, we are ideally suited to defend public companies facing litigation relating to their operations all over the world. Whether it is a post-merger or acquisition dispute, securities litigation, corporate governance litigation, issues of director/officer liability, or shareholder litigation, we will help you wherever you need us.
