

Melanie Schub

Associate

Munich

Biography

Melanie Schub advises national and international companies on all matters of contract, trade and distribution law.

Her work includes, inter alia, the drafting and revision of commercial contracts. She also engages in product-related regulatory issues with industry-specific experience, particularly in the automotive, consumer goods and chemicals industries.

Before joining us, Melanie worked at another international law firm in Hamburg during her legal traineeship.

Representative experience

Advising an international automotive supplier on regulatory issues and distribution law matters.

Advising several international automobile manufacturers on air emission regulations.

Advising an international OEM on regulatory issues on the launch of an innovative business concept in several countries and drawing up the general terms and conditions.

Advising an international chemical company on contract law issues.
