

Fabrizio Grillo

Senior Associate

Rome

Biography

Fabrizio Grillo, whose academic career includes one year at University of Leiden (The Netherlands), joined our firm in 2008 as member of Employment Law team.

Fabrizio deals with several aspects of employment matters, such as disputes, executives' and employees' agreements, relationships and dismissals, redundancy and collective dismissal procedures, corporate transactions, and every-day management of human resources.

His experience covers assistance to international clients within several and diverse industries such as automotive, energy, online travels, and life sciences.

On whatever kind of issue related to personnel, clients can be confident that Fabrizio will provide a tailored, practical and business oriented advice.

Clients appreciate Fabrizio's approach to turn problems into a smooth and clear itinerary towards a solution that positively combines the legal framework with the specific business needs.

Representative experience

Advising and assisting a multinational company – operating in on-line tourism sector – on a significant reorganization of its activities, implying massive
