

## Kyle D. Hamilton

Attorney  
Houston

### Biography

Kyle Hamilton began his career doing securitization, but developed an interest in working on projects that would provide a tangible or observable benefit to society.

Since then, Kyle has been working on a wide variety of projects in the Infrastructure, Energy, Resources, and Projects sector, such as representing lenders in large private and public-private partnership construction projects, assisting contractors prior to negotiating transaction terms, and advising companies in the United States in their efforts to expand internationally.

A large portion of Kyle's work has focused on projects located in Latin America or including Latin American clients or counsel.
