

Newsflash - Preparing your periodic financial information: FCA publishes its final guidance

02 May 2019

The FCA has published its widely anticipated revised technical note 'Periodic financial information and inside information' (TN/506.2) in its Knowledge Base.

The finalised note, which was announced in the FCA's latest [Primary Market Bulletin No.23](#) (PMB No.23), provides guidance to issuers when assessing whether to delay the announcement of inside information during the preparation of their periodic financial reports.

We take a look at the updated guidance and highlight some of the key messages.
