

Nicole Böck

Counsel

Munich

Biography

In the last few years, Nicole Böck helped clients from various industries, focusing on life sciences industries, on national and international product liability and safety issues. She has experience in multi-claimant and mass torts litigation, international conflicts of laws and jurisdiction.

She has successfully defended her clients in more than over 75 German court cases on all levels. Nicole is also experienced in defending cases pending before the European Court of Justice. Nicole is part of the Digital Health, Life Sciences, and TMT teams at Hogan Lovells, focusing on liability for defective products, especially in cases of cyberattacks.

Nicole received an award for extraordinary legal achievements by the University of Augsburg. She published on various topics of national and international product liability.

Representative experience

Global defense of global certification company against liability claims resulting from allegedly inappropriate certification of breast implant manufacturer P.I.P.

Advising a medical device manufacturer against liability claims resulting from allegedly caused harms to their body.
