Hilary Tompkins was quoted in the *Law360* article "Native American Cases to Watch in 2020."

Early 2020 will bring Native American law practitioners a strong sense of déjà vu, as they'll see the U.S. Supreme Court take its second shot at working out criminal jurisdiction on the Muscogee (Creek) Nation's historical reservation in Oklahoma and the full Fifth Circuit's retake of a constitutional challenge to the Indian Child Welfare Act.
