

Julia Nugroho

Senior Associate

Jakarta

Biography

With a deep understanding of Indonesian-regulatory, cultures and business environment, Julia can help you navigate the complexities of Indonesian -litigation and arbitration- related disputes.

She has extensive experience and focuses primarily on international arbitration, complex commercial disputes, construction, and both local and international enforcement actions.

She advises and acts for clients across a number of different industries and under BANI, SIAC, and ICC arbitration rules as well as Indonesian-court proceedings.

Representative experience

Acting for a Singapore offshore engineering and construction firm in BANI arbitration involving million dollar dispute on installation of oil pipeline.*

Advising a major Japanese construction company in relation to construction of highway project in Indonesia.*

Advising and acting for a largest independent owner and operator of LNG carrier on its potential dispute
