

Patricia Duffy

Senior Associate
Washington, D.C.

Biography

Patricia Duffy advises lenders, multilateral financial institutions, and developers in connection with the development and financing of energy and infrastructure projects employing conventional as well as renewable technologies.

Patricia focuses her practice on project finance due to the ever-changing atmosphere of the energy market and increasing global necessity for natural resources.

Prior to joining Hogan Lovells, Patricia worked at another international firm where she concentrated on corporate and securities law matters.

Representative experience

Represented FMO and DEG with respect to General Energy Solutions' US\$38m financing of the Monte Plata Solar plant in the Dominican Republic.

Represented IFC, FMO, DEG, and HSBC on a large hydro project financing in Armenia, the first-ever international project financing in the Armenian power sector.

Represented FMO with respect to two bank finance transactions in Costa Rica.

Represented FMO with respect to a term loan facility to a financial institution in Paraguay.

Represented FMO with respect to a renewable energy
