

Mexico | COVID-19 | Technical Guidelines for the Reopening of Economic Activities are issued

30 May 2020

Within the framework of the New Normal general strategy, on May 29th, 2020, the "Accord that sets forth the Specific Technical Guidelines for the Reopening of Economic Activities" was published in the Federal Official Gazette, setting forth new technical guidelines of general and mandatory application for achieving a return or continuation of activities in workplaces -of essential and non-essential activities- (the Guidelines) in a safe, gradual and responsible manner, starting June 1, 2020.
