

Patrice Navarro

Counsel

Paris

Biography

As counsel in our Commercial Group, Patrice Navarro focuses his practice on commercial contracts, data privacy, information technology and life sciences areas. He brings his extensive experience, and his enthusiasm for technology related matters, in contract drafting and in privacy issue-solving in all kind of industries. Patrice focuses in IT and commercial contractual work with a particular focus on technology, life sciences and industrial related matters. He has 12 years' experience dealing with a variety of complex and strategic agreements in these sectors, including two years' experience with a preeminent judicial leader at the Court of Appeal of Paris specialized in IT contracts. He assists major and middle-sized companies in establishing their contractual tools.

He participates in all kinds of contract negotiations and advises clients on contractual breaches or performance issues. Patrice also advises clients on all major data protection and privacy issues ranging from notification of data breaches, assistance in the event of CNIL investigations, setting up comprehensive privacy policies, to full auditing of data flows and processing within the clients' companies. Patrice advises clients with any IT issues, such as outsourcing, online compliance, internet law and liability, SaaS or cloud solutions and software implementation.
