

## Lisa Mazor

Senior Associate  
Sydney

### Biography

Clients turn to Lisa for her breadth of experience having advised on a range of complex transactions, from banking portfolio acquisitions to project finance, property finance, asset finance and general syndicated and bilateral corporate finance transactions.

As a senior associate in our Infrastructure, Energy, Resources and Projects Group in Sydney, Lisa focuses her practice on project finance, with a strong emphasis on the resources, energy and infrastructure sectors, working on both domestic and cross-border transactions.

Lisa understands a deal from the financier's perspective, having been seconded to a commercial bank and an export credit agency. She advises clients on all sides of a transaction, acting for commercial lenders, government, export credit agencies and multilaterals, as well as sponsors and borrowers.

### Representative experience

Advising EFIC and the State of SA in connection with the financing of the redevelopment of the lead smelter at Port Pirie

Advising EFIC and the State of Tasmania in connection with the structured financing of the redevelopment of a zinc smelter in Hobart.
