The A Perspective Podcast: Andrew Skipper talks to Chris Chijiutomi

02 July 2020

The A Perspective Podcast

The A Perspective podcast is back for a second season. Andrew Skipper continues to discuss key topics with some of Africa's most influential leaders, both on and off the continent.

In the second episode of season 2, Andrew talks to [Chris Chijiutomi](#), Director and Head of Infrastructure Equity at UK government owned CDC, one of the biggest investors in power development on the continent. Listen as they discuss what it means to manage and lead whilst remote working, the shifting priorities of funders worldwide, and the importance of quality leadership as the critical factor in business success.
