

## Rowena Evans

Senior Associate

London

### Biography

Rowena's practice focuses on bringing and defending claims for defective or disrupted construction and engineering works with an emphasis on domestic and international transportation and energy projects. Rowena represents contractor and employer clients in a range of dispute resolution forums including mediation, adjudication, international arbitration and court proceedings. Rowena also assists clients with issues arising from public procurement.

She has particular experience in the growing body of procurement challenges being heard by the Technology and Construction Court in London, where she has assisted clients to commence challenges and obtain early disclosure of tender evaluation documents.

### Representative experience

Acting for the contractor in an international arbitration relating to delay and disruption to a road rehabilitation project in Africa.

Regularly advising national pension funds and retailers in relation to construction defects across their network of UK properties.

Advising a healthcare PFI contractor in relation to construction and operation issues arising at two of its
