

## Maria Beatrice Guardì

Associate

Milan

### Biography

Maria Beatrice is an associate in Hogan Lovells' IP department. She has a true passion for art, fashion and design and really enjoys being involved in both IP contentious and non-contentious matters, especially related to trademarks, copyright, designs and Cultural Heritage.

Maria Beatrice joined Hogan Lovells in September 2017, after graduating from the University of Milan, with a thesis in art law completed at Cardozo University in New York. She has developed experience in drafting contracts and in different IP activities, also related to digital and technology issues for leading companies in the sector, as well supporting activities for projects developed by reputed brands in the fashion and luxury industry.

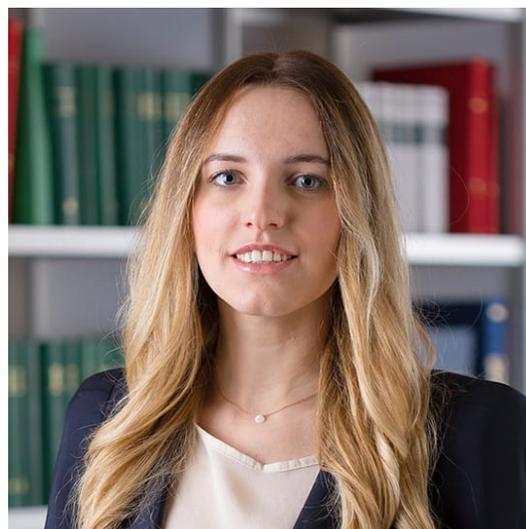

Among the various activities carried out, Maria Beatrice has organized in the last two years a workshop in Hogan Lovells Milano with a focus on street art.

### Representative experience

Advising reputed fashion and luxury brands for clearance searches and legal opinions, not only on IP matters related to trademarks, copyright and design, but also on Cultural Heritage issues.

Assisting a luxury company in filing a formal offer before the Ministry of Finance to reproduce works of art from a reputed artist on clothing and accessories.
