

Cross-border Mergers and Acquisitions

We are renowned for handling cross-border M&A of all types and sizes across all industry sectors. We apply a unique combination of global experience and local knowledge. Our M&A team represents companies, financial sponsors, investors, and significant shareholders across the full range of multijurisdictional transactions. We have transacted in every major market, covering both inbound and outbound deals, as well as local in-country matters.

We provide practical advice, resolve legal and business complexities, and address regulatory hurdles across all practice areas that impact cross-border M&A – from acquisition financing, antitrust, regulatory compliance, and tax, to IP, employment, national security review, and foreign investment regulation.

Benefiting from decades of experience, we project manage all aspects of cross-border transactions, including process, deadlines, and filings across geographies, keeping transactions on time and running efficiently.

When it comes to cross-border M&A, we are ready to help you achieve your business objectives.
