

Dinorah Pensado Michel

Associate

Monterrey

Biography

Dinorah Pensado advises corporate and public entities, helping them meet their financing needs in an evolving and challenging market. She focuses on assisting Mexican and foreign fintech companies on their operations in Mexico. She enjoys working on innovative projects, building successful businesses, and having a positive social impact.

She currently works out of Monterrey advising companies, fintechs, and financial institutions in regulatory and corporate matters. She focuses on work involving asset-backed financing, direct financing, infrastructure financing, impact investment, and project finance both in the public and private sectors.

Dinorah works mainly in structured finance deals with different types of assets, including real estate assets or government asset-backed securitizations, as well as different financing projects with private companies. She also participates in infrastructure and transportation projects with public entities and municipalities and counsels public entities in projects regarding sub-sovereign financing and infrastructure financing.

Dinorah has a background in economics and worked in the finance industry before joining Hogan Lovells. She began her legal career at the firm as an intern and
