

## Cornelius Naumann

Senior Associate

Munich

### Biography

Cornelius Naumann focuses his practice on giving support to international and German clients from various business sectors in all types of M&A deals and transactions. Additionally, Cornelius advises on general matters of corporate law, such as the establishment of German corporate structures for foreign clients, company group law and internal company reorganisations.

After going to school in Germany and Ireland, Cornelius studied law at the University of Passau and completed his legal traineeship (Rechtsreferendariat) in Hamburg, where he first joined our firm.

### Representative experience

Advising Funding Circle Holdings Limited on the acquisition of Zencap Global S.à.r.l.

Advising Lockheed Martin on the acquisition of Beontra AG.

Advising Summit Research Labs, Inc. on the acquisition of parts of the business of BK Giuliani GmbH.
