

Johannes Reinsberg

Associate

Munich

Biography

Johannes Reinsberg advises and represents German and international clients on product compliance, product safety, and product liability issues. He focuses on dispute resolution and litigation. He has strong experience in the automotive, consumer goods, electronics and food industries.

Johannes is particularly experienced in handling complex mass actions. He is particularly specialized in the in- and out-of-court defense of alleged claims. Clients particularly appreciate his affinity for technology, which distinguishes him especially in the defense of cases with a high product reference. He is a particularly experienced trial lawyer.

Johannes studied law at the Universities of Passau and Nantes (France). During his legal traineeship (Referendariat) at the Higher Regional Court in Stuttgart, Johannes worked among others for the German-Arab-Chamber-of-Commerce in Cairo. There he gained valuable experience in settling trade disputes and in efficient communication with government agencies.

Representative experience

Representing one of the world's leading car manufacturers in the defense of alleged civil claims.
