

## Cristina Bosch Rivero

Associate

Dusseldorf

### Biography

Cristina Bosch Rivero advises clients on the areas of data protection, intellectual property law and information technology law. Her practice focuses on data protection compliance issues, data security and data protection matters in M&A transactions.

Cristina counsels on data protection matters, including data transfers, online marketing, app and website compliance as well as with the drafting and implementation of data protection policies. Her practice also includes the drafting and negotiation of data protection and IT agreements with clients from a wide range of industries, including finance, insurance and life sciences.

Cristina studied law at the University of Freiburg and the University Pierre Mendès France in Grenoble. During her legal traineeship, Cristina gained experience working at the European Commission in Brussels and the World Bank Group in Washington DC. Prior to joining us, Cristina worked as a lawyer in the cybersecurity, privacy & data protection practice as well as the competition practice of an international law firm in Brussels. Cristina is admitted to the bar both in Germany and Spain.
