The Hogan Lovells pension and employment teams have prepared a webinar to try to help HR plan a route through what can feel like an auto-enrolment maze. The webinar focuses on which workers the auto-enrolment duty applies to; what obligations arise in relation to different categories of workers and the processes that need to be followed in each case, whether existing pension arrangements can be used to comply with the new requirements and, the issues HR need to be particularly aware of when preparing for auto-enrolment.
