

Ellie Rees

Associate

London

Biography

Ellie Rees is an associate in our insurance and reinsurance team who has experience in advising clients across a wide range of regulatory and transactional matters within the insurance market, including in relation to insurance distribution, and the drafting of policy wordings and other commercial arrangements.

Ellie has particular focus on advising clients across a wide range of issues in the international trade sphere, with a particular focus on sanctions and export controls matters. Ellie has acted on various advisory, transactional and investigatory matters within the EU legal framework and regularly liaises with U.S. colleagues on the application of U.S. laws.

Ellie's clients include insurers, reinsurers, insurance intermediaries, and retail companies. She has also spent time in-house with a number of insurance brokers, and with an in-house commercial legal team.

Representative experience

Advising insurers, brokers and retail clients on the UK regulatory requirements related to the carrying on of regulated activities in the UK.

Assisting with the drafting of a number of insurance policy wordings for insurance broker and retail clients.
