

Giulia Melegari

Associate

Rome

Biography

As part of the Business Restructuring and Insolvency Practice from 2016, Giulia Melegari regularly advises distressed companies, banks and other financial institutions, as well as foreign creditors on restructuring matters. She has been involved in several debt restructuring deals, advising major Italian financial institutions as well as Italian companies. She has also developed her skills in advising distressed companies under in-court insolvency proceedings, providing legal assistance in relation to issues connected to insolvency law and procedural aspects of restructuring.

She helps clients in distressed situations to identify the most suitable legal solutions to protect stakeholders' interests and the company's value. Giulia provides legal assistance in relation to issues connected to insolvency and restructuring law and to procedural aspects of restructuring operations.

Representative experience

Assisting a company operating in the sale of gas in the restructuring of its indebtedness according to article 182 bis of Italian Bankruptcy Law.

Assisting a pool of Italian banks in relation to the rescheduling of the indebtedness of a public participated company operating in the transportation
