

## Katie Jacobson

Senior Associate

London

### Biography

Katie's pragmatic and commercial approach to real estate transactions allows her to deliver user-friendly and concise advice to her clients. Katie acts for institutional investors across the retail, office and industrial sectors dealing with development, acquisitions, disposals, portfolio management and all aspects of landlord and tenant work.

Katie's friendly and approachable style has enabled her to develop well established client relationships. She appreciates the need to be responsive and reliable and prides herself on providing logical and straightforward client focussed advice.

Having trained and qualified with the firm, Katie has been able to develop a strong network of contacts throughout the firm. She is a member of the Investment Property Forum, the Urban Land Institute and various real estate industry based diversity initiatives.
