

Iulia Davidescu

Associate

London

Biography

Iulia advises fund managers, investment banks and institutional investors on a full range of investment fund matters.

Iulia has experience in working on capital raisings by private and listed funds and corporate clients, as well as on acquisitions and reorganisations. She also advises institutional investors on the terms of their prospective investments and assists fund managers on commercial, operational and regulatory matters.

Iulia has previously been seconded to the legal department of an S&P 100 client.

Representative experience

Advising Pantheon Infrastructure PLC on its £400m IPO and admission to the Main Market in November 2021.

Acting for International Public Partnerships Limited on its £325m documented capital raise in 2022.

Advising Jefferies International and Panmure Gordon (UK) on Conduit Holdings Limited's US\$1.1bn IPO and admission to the Main Market in December 2020.
