

Tauhid Ijaz

Partner
London

Biography

Throughout his career Tauhid has advised on all types of structured finance and debt capital market transactions and their related restructurings in a wide range of asset classes, including commercial and residential real estate, infrastructure and social housing, equipment leasing and insurance, and has also acted on debt portfolio sales and related financings, balance sheet management transaction and Solvency II driven transactions. He has advised a variety of key participants on these transactions, including lenders, arrangers, bondholders, originators, funds and swap providers, and has written and spoken widely in respect of securitization and structured finance and related regulatory and market developments. Tauhid is recognized as a leading practitioner in securitization and structured finance in both Legal 500 and IFLR 1000 in 2015.
