

Paula Moreno

Senior Projects Associate
Alicante

Biography

Fluent in three out of five of the official languages of the EUIPO (the European Union Intellectual Property Office), Paula Moreno is a Spanish qualified projects lawyer in the Alicante office.

She advises clients in English and French. Paula's experience includes portfolio management, brand enforcement, opposition and cancellation proceedings before EUIPO, pan-European clearance searches, customs protection and anti-counterfeiting measures. Paula completed a six-month secondment as a consultant in the IP department of a multinational pharmaceutical company based in Switzerland, during which she gained an invaluable insight into the pharmaceutical industry.

Paula holds an LLM in Intellectual Property and Information Society Law from the University of Alicante (Magister Lvcentinvs) where she also obtained her law degree. She was selected to represent the Magister Lvcentinvs at the European Intellectual Property Institutes Network (EIPIN) conferences in London and Munich.

Representative experience

While on secondment, Paula acted as a Consultant in the IP department of the multinational pharmaceutical
