

Belgium launches website to warn about cryptocurrency fraud, as losses reach €2,2 million this year

06 June 2018

Hogan Lovells Engage

Belgium has launched a website that warns investors about potential cryptocurrency-related fraud.

Run by part of the Belgian Federal Public Service Economy and the Financial Services and Markets Authority (FSMA), the new website comes with a catchy title: "If it's too good to be true, it's because it's not".
