The A Perspective Podcast: Andrew Skipper talks to Malek Sukkar

26 August 2020

The A Perspective Podcast

The A Perspective podcast resumes its second season. Andrew Skipper continues to discuss key topics with some of Africa's most influential leaders, both on and off the continent.

In this episode, Andrew is joined by Malek Sukkar, CEO of Averda, a leading waste management company with operations in 34 cities across South Africa, Congo Brazzaville, Morocco and 6 other countries. Listen as they discuss a range of topics including, how to accelerate the circular economy, the challenges faced by supply chains as a result of the COVID-19 pandemic, how this could spark a possible rebirth of local manufacturing and the importance of waste management as an integral part of that.
