

## Jürgen Keß, M.A., LL.M. (Eur.)

Senior Associate  
Frankfurt

### Biography

Jürgen is a senior associate in the Hogan Lovells Infrastructure, Energy, Resources & Projects team based in Frankfurt.

Jürgen has a focus on large and complex infrastructure and energy projects in the water and wastewater as well as in the renewable energy sector. He advises national and international clients on the entire life cycle of projects, on litigation and arbitration proceedings as well as on transactions in Europe, the Middle East and Africa.

As a member of the firm's Global Energy Studio, our energy industry team think tank, Jürgen Keß engages with the latest energy sector developments and couples his legal advice with market insights.

Jürgen studied law as well as English linguistics and literature in Wuerzburg, and served his legal traineeship in Wuerzburg, Munich and London. After having been admitted to the bar in Frankfurt, Jürgen earned a LL.M. (Eur.) degree with focus on European business law. Jürgen also holds a Master of Arts degree in English linguistics and literature.
