

Magdalena Bakowska

Senior Associate

London

Biography

Magdalena Bakowska is a Senior Associate in the Global Products Law team at the Hogan Lovells London office. She advises in all aspects of the product lifecycle - from regulatory requirements at the product's launch to presentation, labelling, as well as product-related commercial and consumer law issues in a wide range of industry sectors, with a focus on life sciences, technology, consumer electronics and tobacco.

She coordinates advice for companies relating to new product launches in multiple jurisdictions, helping build global strategies and practical solutions for market leading brands.

Her experience also covers product safety, recalls and product liability litigation.
