

Andreas Doser

Senior Associate

Frankfurt

Biography

Andreas Doser helps our clients drill to the core of new and complex regulatory requirements for the financial industry. When introducing new products or setting-up cooperation and outsourcing agreements, you can count on Andreas' support to develop your business opportunities from the planning to the implementation stage.

Andreas advises German and international financial institutions on all aspects of European and German banking regulatory law (CRR/CRD-IV, PSD, EMD, AMLD, MiFID/MiFIR, Sanctions). He further advises on contract and consumer law aspects of financial products. Finally, you may seek Andreas' advice for the preparing of arguments and statements during the legislative process and for consultations relating to new regulatory laws, standards and requirements.
