

Dr. Tobias Ackermann

Counsel
Munich

Biography

Tobias Ackermann is a Counsel in Hogan Lovells' Munich office. He advises clients on product safety, product liability and product-related supply chain disputes worldwide. He has relevant experience in representing clients in court proceedings on various levels. He also advises clients on cross-border product liability cases, on recalls across the globe and product compliance issues. His industry focus lies on the automotive, transport, consumer goods, life sciences and electronic industry.

Tobias assists clients in coordinating court proceedings in various countries and communicating with customers, courts, authorities and the public. He knows the challenges companies are faced with in conflicts between defending claims, enforcing own claims and maintaining the business relationship.

At the moment, Tobias is advising and representing a client in a complex product-related supply chain dispute with court proceedings, arbitration proceedings and criminal investigations in Singapore, Norway, Sweden, Denmark and Germany.

During his legal training, Tobias worked inter alia in the legal department of a world leading car manufacturer.
