

## Benjamino Blok

Associate

Amsterdam

### Biography

As an associate in the Privacy and Cybersecurity practice at Hogan Lovells, Benjamino Blok advises on all aspects of data protection and cybersecurity law.

He has worked on matters ranging from advising on the privacy and intellectual property aspects in the acquisition of several IT and heavy production companies, to structuring the privacy aspects of international lending transactions. He has also participated in contentious copyright, trademark and IT matters.

Benjamino's commercial contracting experience includes drafting and advising on a range of agreements, including data sharing, data processing, data security, IT servicing, IP licensing, and sponsorship agreements.

He has a wide knowledge of the technical aspects of IT products and services.
