

## Christopher Noblet

Associated Partner

Budapest

### Biography

With over 20 years' experience in law, Christopher's comprehensive knowledge and practice in Hungary are an invaluable asset to clients operating and looking for solutions to their business challenges in Hungary. Christopher is an English qualified solicitor and a registered EU lawyer at the Budapest Bar. He has advised various clients (including international and domestic investors and public bodies) on M&A, antitrust and competition matters, financing and real estate projects.

Christopher is regularly recommended in the legal directories being referred to as 'highly respected in the market' and 'the name to note.' He also leads the award winning pro bono practice in the Budapest office. Before moving to Budapest in 2000, Christopher worked in the corporate/commercial group (specialising in non-contentious insurance work) in the London office.

### Representative experience

Advising a leading industrial multinational in relation to a competition authority investigation and court proceedings in a long running cartel case.

Advising a major German fund on the acquisition of a flagship office building in Budapest and on related
