

Andrew Gallagher

Partner

London

Biography

Andrew is a partner in the firm's Infrastructure, Energy, Resources and Projects team. He focuses on infrastructure finance, project finance, PPP and related M&A transactions. Andrew advises senior lenders, sponsors and borrowers on a variety of international infrastructure and project finance deals across a range of market sectors including transport (rail, roads, airports and ports), social infrastructure (hospitals, schools), power (IPPs/IWPs) and renewable energy (offshore wind, solar and waste to energy).

Representative experience

Advising the UK Government's Department for Transport on the £1.8bn Intercity Express Rolling Stock PPP project.

Advising Takoradi International Company and its parent, TAQA Power, on the project financing of the US\$325m Takoradi 2 Power Project in Ghana.

Advising the senior lenders on the project financing of the £428 million transmission link for the 630MW London Array offshore wind farm.

Advising the senior lenders financing the £1billion acquisition of Glasgow, Aberdeen and Southampton Airports by Macquarie and Ferrovial from BAA.

Advising the senior lenders on the financing of the
