

## Maria Różyło

Associate

Paris

### Biography

Maria Rozylo is a lawyer in our IPMT Group and focuses her practice on data protection, online brand protection, in particular the protection and recuperation of domain names, and internet regulation.

Before joining Hogan Lovells, Maria was interning at an international law firm specialised in intellectual property/technology law as well as at an international police cooperation organisation where she was mainly dedicated to data protection.

Born and bred in Poland, Maria holds a Master's degree in Information Technologies and Intellectual Property Law from the University Paris I Panthéon-Sorbonne and University Paris Sud. A native Polish speaker, she is also fluent in French and English.
