

31 January 2018

Tax Newsletter

Check out our Tax Alert for news regarding Split VAT payment, clarifications from the Tax Authorities, and Court decisions in tax-related cases.

In this month's issue of our newsletter on tax matters in Poland:

- What is new and what is planned in the tax regulations: Split VAT payment
- Clarifications from the Tax Authorities: Bitcoin and other crypto-currencies
- Court decisions in tax-related cases:
 - The tax authorities are not authorised to challenge a tax loss incurred more than five years previously
 - Compensation for the dissolution of an agreement can, in certain situation, constitute an income generating cost
 - Accounting regulations do not affect the principles of tax treatment of incurred expenses
