

Martha del Pilar Molina

Senior Associate

Mexico City

Biography

Martha del Pilar Molina advises clients on litigation and employment issues in the automotive industry. She brings to the table more than 16 years of experience in labor litigation.

She guides clients through the entire process, including reviewing and preparing grounds for termination of an employment relationship and preparing the respective notice, attending to the individual, and managing the collective claims.

Representative experience

Processing individual actions brought by employees in labor law.

Revised procedures of collective bargaining agreements with labor authorities.

Responded to claims filed by workers demanding payment of indemnities.

Advise and carry out termination of employment relationship, both private and before labor authorities.

Conducted negotiations to conclude labor lawsuit.
