

Elizabeth A. McGuire

Attorney

Los Angeles

Biography

Elizabeth McGuire works with pharmaceutical, biotechnology, and medical device companies throughout the world on regulatory contracting matters.

Collaborating closely with members of the firm's Regulatory, Corporate, and Intellectual Property Practice Groups, Elizabeth drafts and negotiates clinical trial agreements, master services agreements, consulting agreements, investigator-initiated study agreements, pharmacovigilance/safety data exchange agreements, quality agreements, and other forms of regulatory agreements.

Elizabeth has an extensive corporate law background, advising clients on a broad range of corporate transactions, including mergers and acquisitions, joint ventures, and technology acquisitions. Building on this experience, Elizabeth's practice now largely focuses on providing contract support to life sciences companies that develop and commercialize pharmaceuticals, medical devices, and biotechnology products.
