

August 2019

On 9.4.2019, the DIS40 Spring Conference took place in Bonn with the topic “The Nuts and Bolts of Construction Arbitration – From a lawyer’s, expert’s and in-house counsel’s perspective”.

This article written by Pascal Wagenführ summarizes the key takeaways of the workshops "How to deal with delay" and "Procedural aspects of construction disputes". This summary was published first in SchiedsVZ, 2019, 222.
