

Arthur Azis

Associate

Paris

Biography

As an associate in our International Arbitration group, Arthur represents clients in international arbitration proceedings under all major arbitration rules.

Arthur acts for companies and on behalf of States, with a particular focus on the oil and gas, mining and telecommunications sectors.

Representative experience

Representing a company specialized in the design and delivery of broad-based telecommunications in an LCIA arbitration against a major telecommunications company in Cameroon.

Representing a Mongolian businessman in an ICC arbitration governed by Singapore law arising out of an investment agreement for the development of a mining and associated energy generation project.

Representing a Fortune 500 company in ICC arbitration proceedings in relation to the acquisition of a manufacturing facility in France, against a subsidiary of the French major energy company TOTAL.

Representing a Russian entrepreneur in an ad-hoc arbitration under the LMAA Terms in a dispute arising out of a Chartered Agreement and involving a luxury leasing company in the Caribbean.
